Mr. Sameroff

For the past eighteen years, Mr. Maurice Sameroff has collaborated with the various *Lawrencian* staffs to help them produce the best yearbooks possible. He has offered his time, his patience and his effort by photographing the students of all grades, by advising the editors on any technical problems that might arise, and by guiding and leading the staffs through the doldrums.

However, Mr. Sameroff is a man known not only to the student body of Lawrence High School, but to the entire community. Being a resident of the Five Towns, he has participated actively in local affairs and organizations and has contributed to his community in innumerable ways.

Mr. Sameroff has truly given of himself. He treasures deeply the yearbooks he has helped publish. He admires the students he works with just as they admire him. His relationship with the students is not merely formal, but personal as well. Perhaps, his most important quality is his dedication and the deep satisfaction he obtains by acting as mentor. Because we would like to show him how much we appreciate his devoted efforts and invaluable service, we dedicate the 1967 *Lawrencian* to Mr. Sameroff.

Board of Education

"Procrastination is the thief of time." This brief quote best sums up the attitude you should adopt for the years which lie ahead. Dreaming of the future will be meaningless unless you apply yourself now to the preparation needed for the role you must play in the world around you. Here and now, dedicate yourself to the proposition that what you can accomplish today must not be put off and, above all, remember that in the tasks which lie before you a sound educational background will be your most useful tool. We can only hope that your years at Lawrence have whetted your appetite for learning and that a desire for the continued pursuit of knowledge will be firmly imbedded in each of you.

Raymond S. Baron
President

The diploma which you will receive at Commencement is an important document; the granting of it is a pre-requisite for your admission to college, and it opens the door to certain job opportunities that would be non-existent without it.

Your diploma will attest to the fact that you have met at least minimum standards for the "satisfactory completion" of certain prescribed subjects, and that you have accumulated a given number of "units" in various subject categories. To a degree, it might even be interpreted to mean that on a particular day you remembered the date of the Battle of Hastings, and that Area $=\Pi r^2$

Your diploma will shed very little light, however, on some other areas which are of the utmost importance. For example, how successful are you in getting along with others? What sorts of things are really important to you? What, generally, is your attitude toward your work—do you give it more than just enough to "get by"? Do you judge people, and react to them, on their merits—or in accordance with some less realistic scale of values? Are you sensitive and responsive to the feelings of others? And are you willing to compromise your honesty on the premise that "everybody else is getting away with it, and it really doesn't matter, anyway"?

It is my hope, and my wish for you, that your diploma will in truth signify your worthiness as a person, as well as an academic achievement.

Arthur W. Coombs
Superintendent of Schools

Arthur W. Coombs

Henry C. Boschert

If the over-all educational program of this school district has accomplished what it set out to do for you as an individual, you have now acquired the basic skills which will make it possible for you to meet successfully the challenges of the immediate future—and one more most important thing: a foundation in the ability to discriminate, to make wise choices.

No person should lay claim to being "educated", regardless of the amount and kind of his formal schooling, if he finds it impossible to distinguish between things that are beautiful—and those that are tawdry—or between the truly important and the trivial.

If it is to have real worth, an education should enable one to make right decisions—decisions concerning his work, decisions concerning his personal life, ethical decisions. It should make it possible for the person to know what constitutes a good book, a good play, a good movie, a good piece of music, a good work of art.

Those who are unable to make the proper choices for themselves must be guided by the tastes and the decisions of others. This sort of dependency is in opposition to the freedom which education is designed to provide.

Henry C. Boschert
Assistant Superintendent of Schools

Donald T. Clark
Assistant Superintendent for Business

Upon graduation from high school you must exercise your freedom of choice to a greater degree than ever before. Before graduation your freedom in this area had been limited by circumstances over which you had little control. Your parents chose your residence, and this determined that you attend our schools. The law required that you attend school until you are sixteen years of age. Many of the subjects that you have studied were not of your choosing.

During the next few years you will be faced with many choices that will have far-reaching effects on your future and that of others. This is the awesome responsibility thrust upon you as you become an alumnus of Lawrence High School.

Congratulations upon your graduation. Remember—you choose the future now.

Donald T. Clark

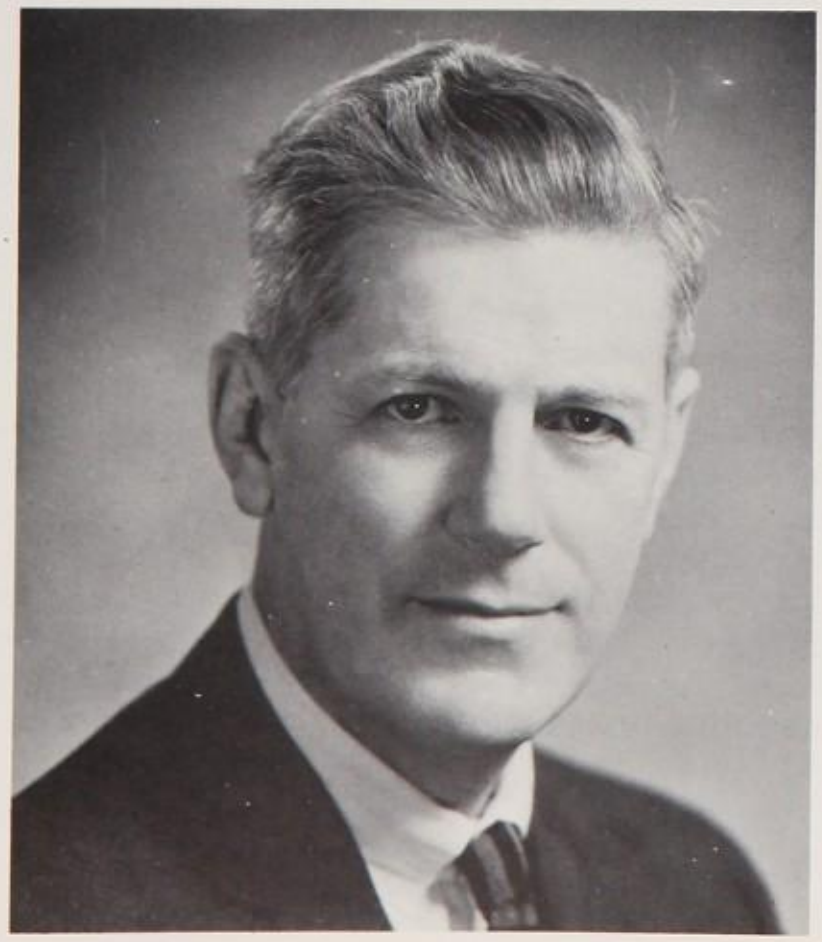
Dr. Albert J. Eichel
Assistant Superintendent for Instruction

Years from today, when you glance through the pages of this yearbook, you will think of many things. You will probably find the pictures of yourself and of your classmates quite amusing. You will be reminded of many pleasant experiences while in Lawrence High School. Let us hope that as you recollect the past and as you contemplate the future, you will be able to attribute a good measure of the success you have already achieved to your years in the schools of District Fifteen.

Best wishes for a life filled with happiness and for success in your chosen career.

Albert J. Eichel

Joseph E. Page
Director of Pupil Personnel Services



Farrell Berle
Administrative Assistant

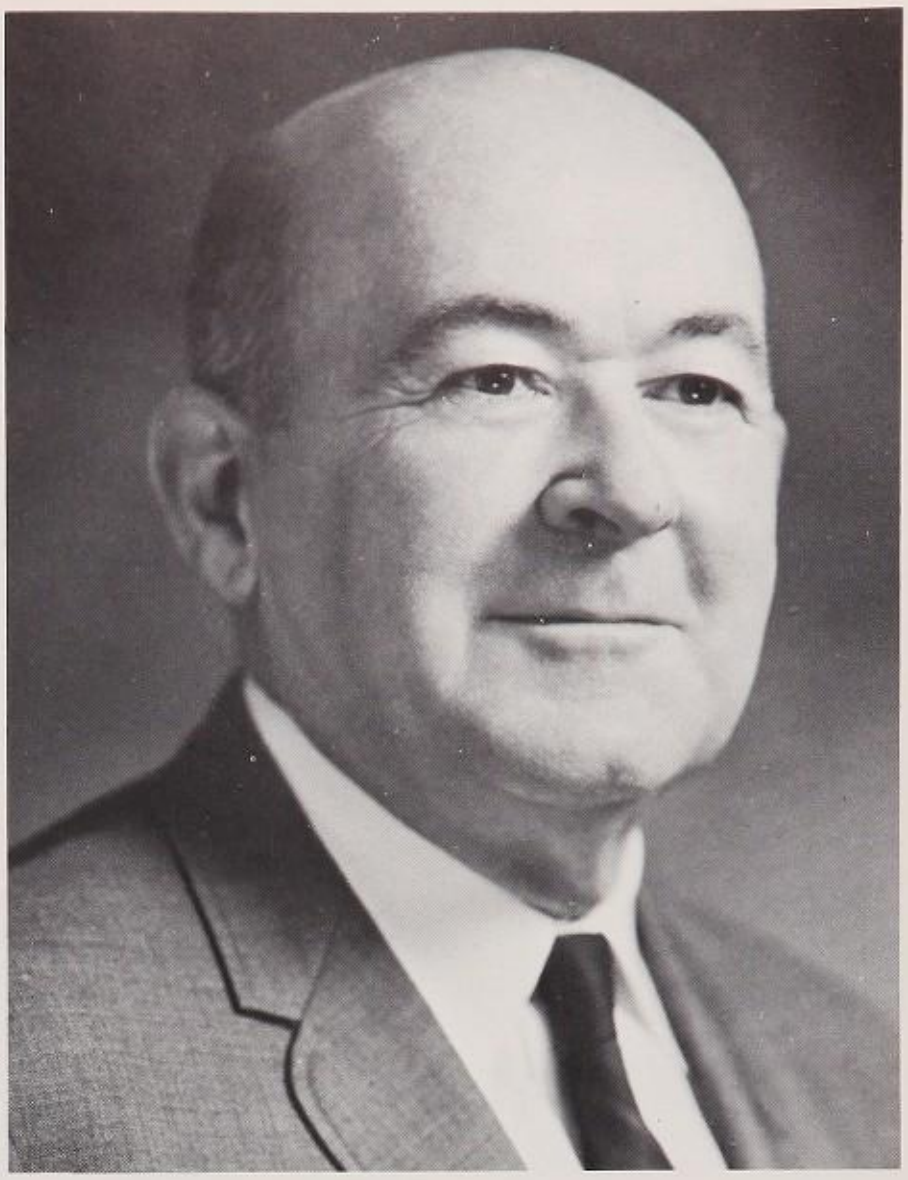
With this year's graduation of the class of 1967, the close of some thirty years of untiring devotion will also come to a close. The senior class owes much of the fine education it has received at Lawrence to the efforts of our principal, Mr. James H. Simmonds.

Mr. Simmonds was born in Utica, New York, where he was a student at the Utica Free Academy. As a boy, he developed diversified interests, from intense enthusiasm about football and track, to the appreciation of esthetics like art and music. He graduated from Colgate University as a mathematics major. In 1934, he became a member of Lawrence High School's mathematics department. In the early 1950's, he was selected as assistant principal, and in 1956 succeeded to the principality.

The ability to excel about others is a rare quality; the ability to mold the mind and character of the group even more so. This combination is the essence of James H. Simmonds, for he is truly Bacon's "Man of Great Place". In these tender formative years of our lives, we bridge from childhood to adulthood. How much we are indebted to one such person, our principal, Mr. Simmonds.

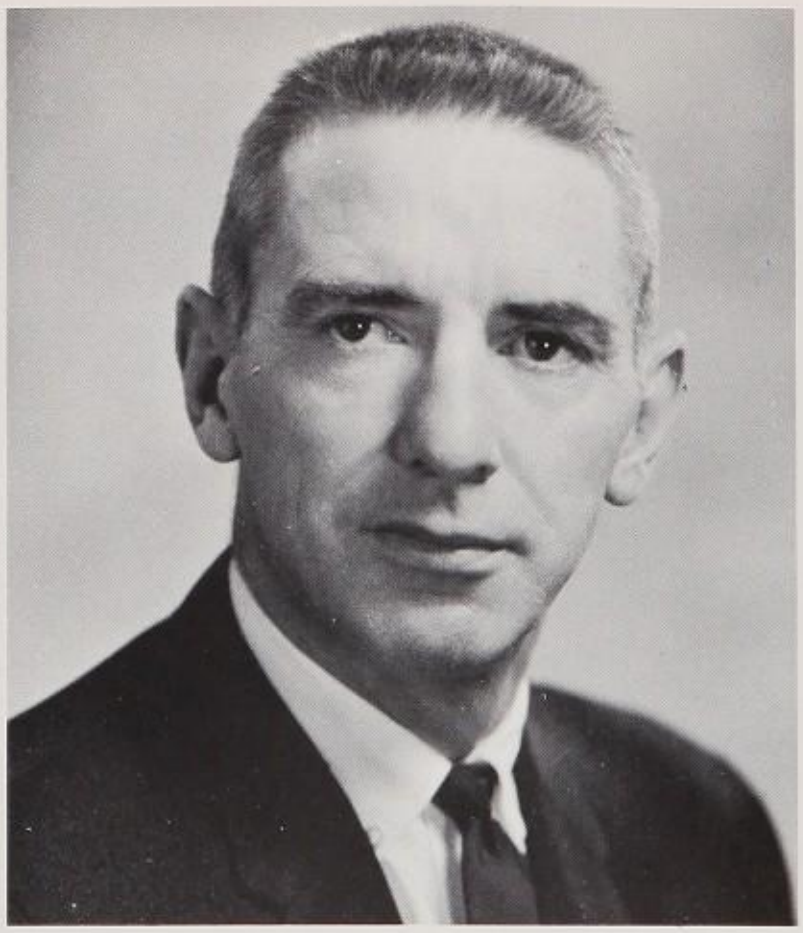
Mr. Frank X. Kriz
Assistant Principal

My close association with Mr. Simmonds in the administration of the high school has given me an intimate insight into the true character of our principal. On behalf of all our teachers, students and all other school personnel, I wish to express our sincere appreciation for all the thoughtfulness, consideration, kindness, leadership and cooperation he has consistently given us. His sincere interest in treating each individual with utmost concern shall always be cherished. Each of us at Lawrence High School extends sincere best wishes that "the bread that has been cast upon the waters shall return tenfold" in years of retirement pleasure.



Mr. James H. Simmonds
Principal

Mr. Walter A. Kretz
Assistant Principal



It has been a privilege and a pleasure to have worked with Mr. Simmonds over the past nineteen years. My wish is that he and Mrs. Simmonds will enjoy many years of happy retirement.

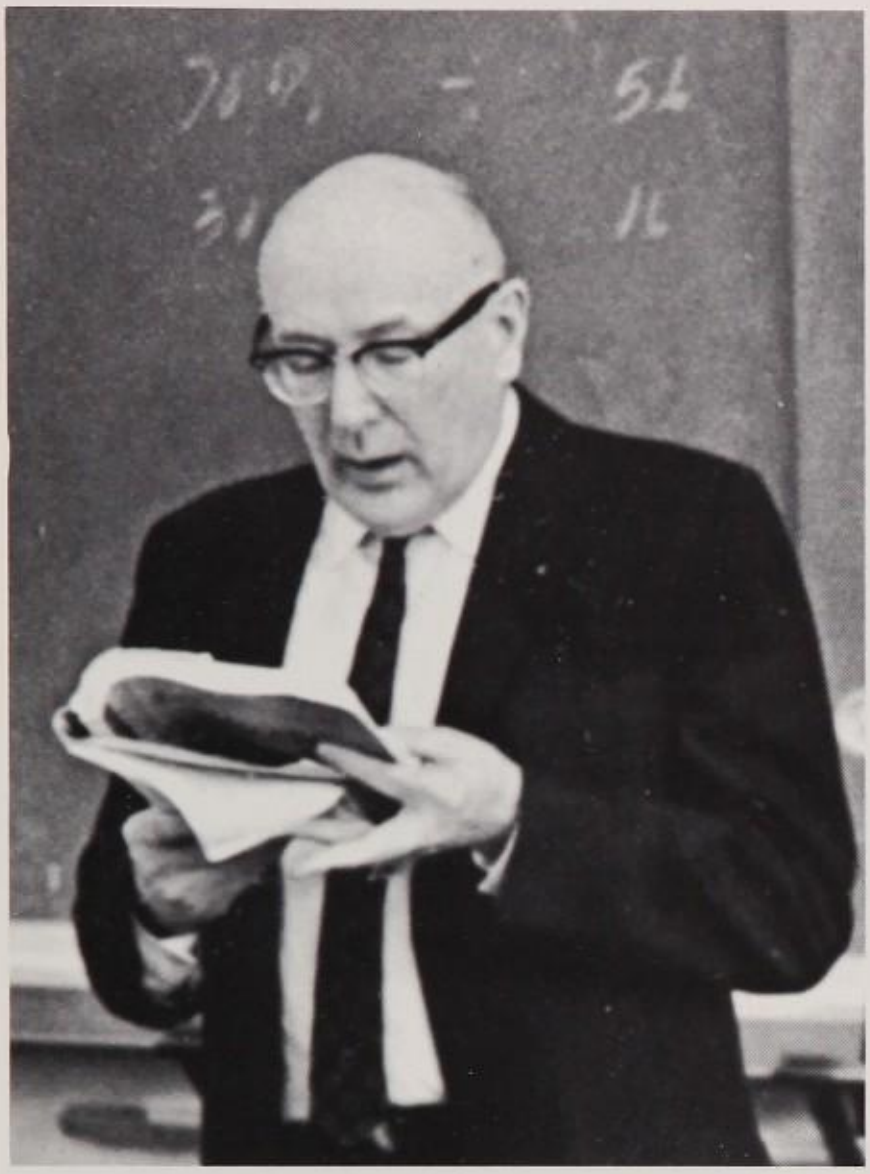
Arthur W. Coombs
Superintendent of Schools
(33 Years of Service)

James H. Simmonds
Lawrence High School Principal
(33 Years of Service)

Frank Clarkson—*Audio-Visual Education* (26 Years of Service)

Lawrencian Salutes

Mr. Walter Ahner
Science Department Chairman
(33 years of Service)



The student body and faculty of Lawrence High School wishes to thank Mr. Arthur W. Coombs, Superintendent of Schools, Mr. James H. Simmonds, Lawrence High School Principal, Mr. Walter Ahner, Science Department Chairman, Mrs. Katherine Jack, Business Department Chairman, and Mr. Frank Clarkson, Audio-Visual Education, for the many years of dedicated service which they have rendered to Lawrence.

The results of their good works and invaluable service have been widely felt and deeply appreciated not only by those of us in the Class of 1967, but also by all the students and members of our community. To them we extend our best wishes for future happiness.

Mrs. Katherine Jack—*Business Department Chairman* ("More years than I care to remember.")

A Vital Contribution to Academic Life

Guidance

The Guidance Department, with its seven counselors and four secretaries, is an active clearing house for educational, testing and career information. It is here that Lawrencians select their programs of study, receive counsel when problems occur, sign up for summer programs, process college applications—and register for Selective Service!

Student schedules are prepared in the Guidance Office and the academic records of all students are maintained here. Many college representatives visit this department to learn about our students and to share information relative to college admissions criteria and new programs of study.

In addition to the regular school day our counselors are available on many evenings when parents and students are invited to group meetings designed to describe school programs, scheduling and post-high school plans. In short, the Guidance Department makes a vital contribution to the academic life of all Lawrence High School students.

Vital Fact of Life . . . English

"The total English program involves a constant striving for excellence in the appreciation of literature, the mastery of language, and the effectiveness of composition." Today's Lawrencian is able to understand, enjoy, and treasure the heritage of great English prose and poetry. Today's Lawrencian is able to skillfully express his feelings in words. Today's Lawrencian is on his way to becoming a whiz in spelling, an expert of vocabulary, and a friend and critic of Shakespeare. To be intelligent and successful Americans with an expressive and indicative culture, we must learn the language; and today's Lawrencian is sensitive to this vital fact of life.

Trained in thinking . . . History

"History", said Addison, "is the study of the evolution of men's ideas in conflict; for history does not repeat itself, rather human nature." This in essence, is the foundation for the pursuit of study in histories at Lawrence. For through an examination of past American and world history we are that much better prepared to deal with the future. Through this brief exposure we are also trained in thinking. If this skill has been obtained by the student he has received the most important part of his education.

Integral part of our understanding . . .

Mathematics

Next to their mother tongue, the language of numbers and figures is the most important symbolic expression of men. In view of the scientific and industrial conditions of modern life, the elimination or watering-down of mathematics would be a most difficult thing to reckon with in our society. It is obvious that high aptitude for mathematics, as exhibited in great mathematicians, is rare. But the language of numbers and figures at Lawrence with concentration in geometry, algebra, trig and calculus, is not a matter of special aptitude. Even before reaching its explicit scientific formulation, mathematics is an integral part of our understanding of the world that surrounds us.

The Scientific method . . . Science

The registration in high school science has increased enormously in the last decade. There are three reasons why students are taking more science than ever before. First, educators and the general public realize that scientific literacy is needed by members of a society such as ours that is so thoroughly based upon technology and scientific endeavor. Secondly, without scientifically trained individuals we cannot maintain the advanced technological development that our civilization has attained. Finally, we all realize the need in our society for leadership inculcated with the habits of critical thinking that are so much a part of the scientific method of solving problems.

Relation between language and thought . . .
Language

The advent of specialization in education has usually led to a profound neglect of language skills. As country is separated from country by the barrier of language, so profession is separated from profession by the use of technical jargon. The language program at Lawrence, with emphasis in French, Spanish, German, Hebrew, and Latin, attempts to remedy this condition by a training in the means of precise communication and persuasion. The major concern in the program at Lawrence is to understand the relation between language and thought. To experience the individuality of another language; therefore, is to extend the limits of one's sensibility.

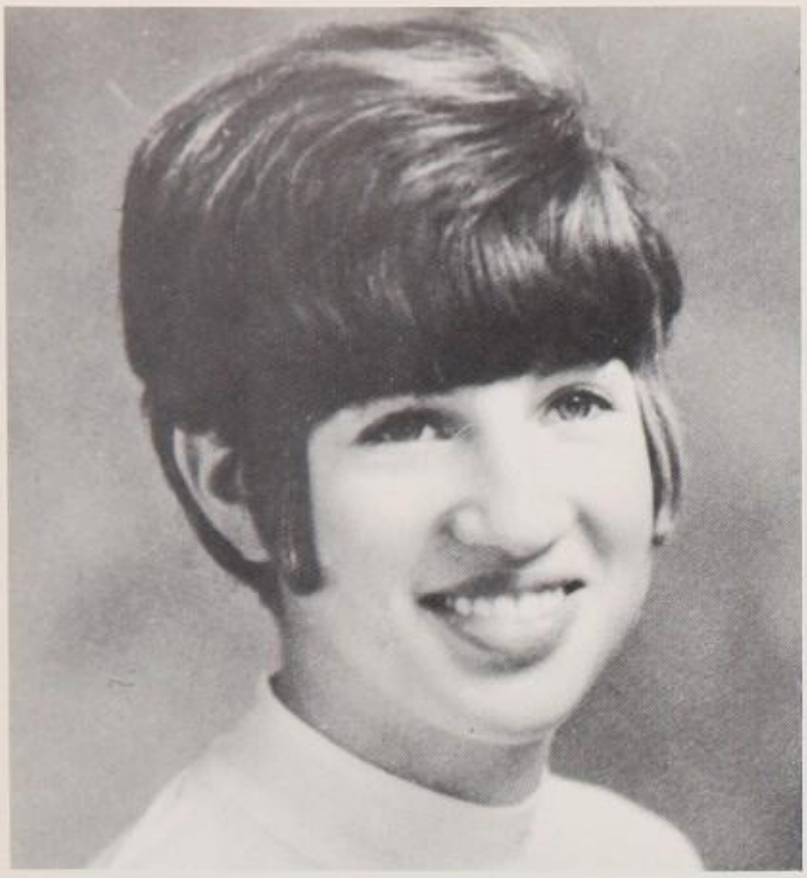
In Memoriam

Gwendolyn Wells

I cannot say, and I will not say
That she is dead—she is just away!
With a cheery smile, and a wave of the hand,
She has wandered into an unknown land,
And left us dreaming how very fair
It needs must be, since she lingers there.
And you—O you, who the wildest yearn
For the old time step and glad return,
Think of her faring on, as dear
In the love of There as the love of Here;
Think of her still as the same, I say:
She is not dead—she is just away!

JAMES WHITCOMB RILEY



As I look back on the four years I've spent at Lawrence, there are many things that stand out in my memory: the embarrassment of being called a "punky freshman"; the excitement of a close football game; the thrill of Sportsnite; the contentment of being a senior—these are only a few.

My years at Lawrence have been satisfying for the most part, but there are some aspects of the school that continue to bother me. There is a great deal of apathy among the members of the student body. Naturally, it is important to study and prepare well for the future, but a student should also take an interest in the school activities that surround him. Our school would benefit immensely from a new surge of spirit and interest.

Long after I have slammed the door of my locker shut for the last time, and trudged wearily down three flights of stairs, the memories of good times and disappointments, of teachers and of friends, will echo in my mind. These are the remembrances I will have of my four years of high school.

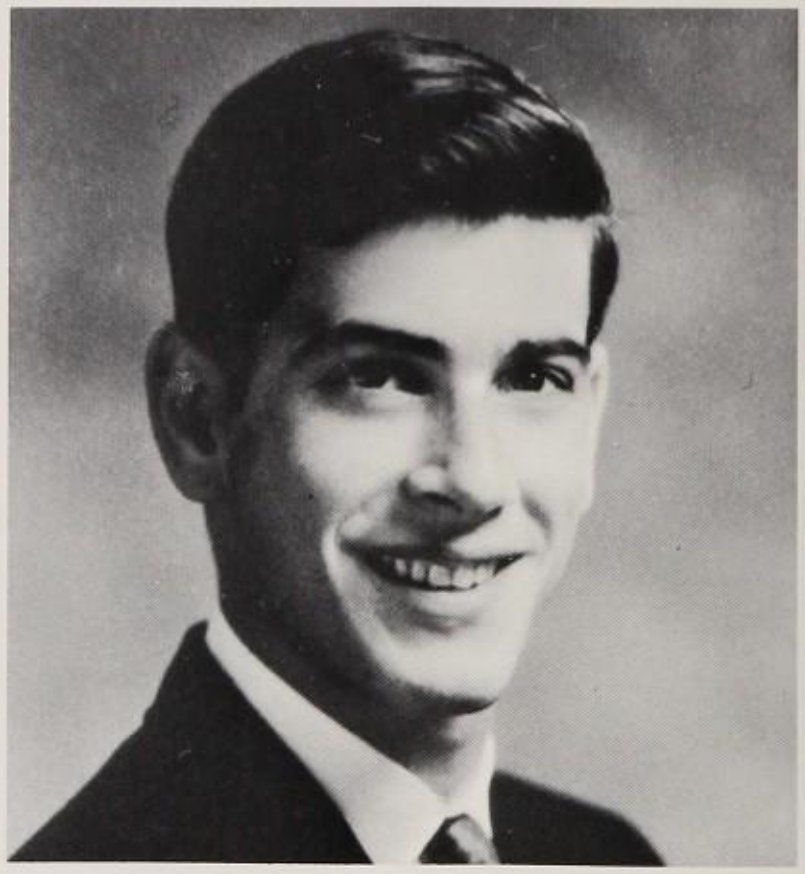
Linda Adams
Valedictorian

There is no doubt in my mind that Lawrence High School is superior in all that it attempts. We have consistently fine athletic teams, an extremely good intra-mural and extracurricular activity program, and of course, a record of academic accomplishment that is above reproach. These factors alone make Lawrence High an excellent school and my four years there well worthwhile.

There is equally little doubt in my mind, however that given this level of accomplishment in what it attempts, Lawrence should increase the variety of its endeavors and augment some of its current efforts in areas of lesser accomplishment. Not the least of these areas is the attempt to bridge the gap that exists between the academic and vocational departments, a cause of concern to every thinking student. Additionally, in comparison to many schools in the country, our curriculum is woefully limited in scope. It should certainly be possible to institute in Lawrence some courses of more limited appeal than English, American History, and math 10.

All in all, we have much to be proud of in Lawrence High. I only wish to extend this pride to efforts which can help us realize our potential and make Lawrence the truly great school it could easily be.

Richard Mandel
Salutatorian



Lawrence High School has been the center of my life for the last four years. For me, high school does not mean education in the aspect of book-learning, but it is a period of maturing socially as well as intellectually. This may be accomplished through the numerous extra-curricular activities offered by this school. These activities are many with varied interests and there is no excuse for any student to lack membership in at least one activity unless he is a dull, lazy individual. Through these activities one gets to know his classmates. One may also gain the opportunity of leadership with teachers as advisers, not directors. But most important you become a member of a team which is an intricate part of life and cannot be learned better than by doing it with one's peers.

I have had many wonderful experiences in Lawrence that will remain with me as fond memories for the rest of my life. For every sad moment spent in Lawrence, I can counteract it with at least ten good memories. When I graduate I will have ended a chapter of my life that was good and worthwhile—well ready to start the next chapter.

Larry Poster, our President

Student Council

The Student Council this year attempted to provide a wide variety of programs and activities for the student body of Lawrence High School. It took stands when it deemed necessary and generally attempted to provide leadership as well as projects. The officers this year were: Lawrence Poster, president; Richard Mandel, Vice-President; Helaine Goldberg, secretary; and Susan Young, treasurer.

Student Council activities can be divided into several main groups. First, the Council sought to continue projects started in previous years with modifications and improvements: the bookstore, a revised G. O. card, the handbook, the Christmas Basketball tournament, Marshalls, and the Student Council scholarship. Second, the Council aided the administration by helping with the Red Cross collection and selling exam tickets. In an effort to promote a more unified student body the Student Council helped support other activities. Donations were made to Buskins and the Senior Class. The Council took care of club announcements and sponsored buses to away football games. Fourth, the Student Council sponsored three big events, a Pep Rally and Dance, a dance featuring a local band, and a Good Guy Show hosted by Jack Spector. Fifth, the Council initiated a number of new activities. It started a collection of college catalogues and compiled the results of a questionnaire which had been sent to last year's graduating class asking them to evaluate the college they were presently attending. New amendments were added to the Constitution. All in all, it was a successful year.

WMCA's Jack Spector comes to Lawrence.

WMCA Good Guy Jack Spector presents:

Neil Diamond

DANIEL VASEN

Our Exchange Student From Chile

Dany enjoys his far from chilly reception in Lawrence.
On AFS day, Dany lectured about his native land.

Always ready to make a point, Dany added international flavor to his Lawrence environment.

It was one morning in August with a couple of boys and girls that I had the opportunity for the first time of seeing Lawrence High School. The students gave me a tour of the building, and I was impressed by its size, but everything was so quiet, so cold.

September came and classes started and slowly but surely that cold building started to have a heart for me that beat intensely. Everybody was friendly and ready to help me in everything. Then I got a chance to watch and enjoy the football season, and had the opportunity of becoming a member of the soccer team.

Many things more throughout the school year have made me feel truly a Lawrencian.

CHAMPIONS

Lyons hands off to Chiles

The 1966 football season was the occasion once again for the Lawrence gridders to emerge as the main powerhouse in their division and one of the top teams in the county. After an opening game loss to Berner, the Tornadoes reeled off seven straight victories to take first place in South Shore Division II. The team was small, but it was quick and agile and well coached under the direction of Mr. Martilotta. The boys, themselves, knew they could win and never lost their confidence.

Under heavy rain and high winds Lawrence met Berner at home for the first game of the year. Chris Kyprianides scored first for the Tornadoes but soon it became evident that both the Berner team and the weather was too much for Lawrence. Marc Lyons hit Jake Garvin for a touchdown in the fourth quarter, but it didn't matter as Berner won 18-12.

Mt. Vernon was our next opponent and after a scoreless first half Brian Chiles caught a pass in the end zone to give Lawrence the lead. Mt. Vernon fought back and late in the fourth quarter the score was tied at 14 all, the second Tornado touchdown coming on a run by Kyprianides. After the recovery of a fumble Lyons went to work and threw an 11 yard touchdown pass to Craige Martin which won the game 20-14.

A big hole is opened for Lawrence's vaunted running attack

Mark received great protection from his line all year

THE VARSITY TEAM: *Front row (left to right)* Mr. Pollard, Garraputa, Martin, Kyprianides Ruggieri, Gordon, Lyons, Strasser, Schepps, L. Alzado, DeFarbrizio, Glenn, Garvin, Mr. Cimino. *Second row:* Santora, DeLuca, Longobardi, Ciampi, Peterson, Veney, Manara, Legonegro, Sorrentino, Papowitz, Davis, Maeweather, Mr. Castagnaro. *Third row:* Cohen, Raimondi, Watson, Denis, Chiles, Livingston, Levin, Zelin, Valenti, Basile, Dobrin, Lewis, W. Alzado, Caporusso, Davis, Berusch. *Fourth row:* Bergman, Williams, DeLeo, Mr. Martilotta, Stinger, Madeo, Mayo.

Uniondale Victory: Division Champs

A determined Lawrence team squashes Mt. Vernon.

Lawrence returned to league play against a surprising Long Beach team which led at halftime 20-0. With the drive and determination that was a characteristic of the team all year, the Tornadoes didn't give up. Martin started the second half by returning the kickoff 90 yards for a TD. Later Lyons threw two bombs to Garvin for scores and in the last few minutes of the game Martin caught a 30 yard pass from Marc that won the game 27-20.

The Freeport game was characterized by hard-nosed football and not the spectacular like the Long Beach game. Kyprianides scored two touchdowns in the second half and Larry Schepps one as Freeport was beaten 19-7.

League-leading Elmont was next to fall under Lawrence's relentless attack as the Tornadoes won 20-13. Craige Martin scored twice in the first half, one a 60 yard return of an intercepted pass. Elmont tied the game up in the third quarter but in the fourth the Golden Tornadoes scored the deciding tally when Chris went in from 4 yards out.

Arch-rival Hewlett came to Lawrence on November 5 and left a 25-14 loser. Surprisingly Hewlett scored first, but Lawrence went ahead in the second quarter with Kyprianides and Garvin scoring. Martin returned a punt for 80 and a touchdown while Al Rugrieri ran 42 yards for the final score of the day.

With the championship of the division depending upon this final league game Lawrence met Uniondale, the only team left with a chance to beat Lawrence out for the title. The game, originally scheduled for Saturday, November 14, was played on Monday the 16th because of bad weather that Saturday. School was dismissed early that day and many Lawrencians took advantage of it to see our team play. Craige Martin made it look easy as he took the opening kickoff 91 yards for a touchdown and made many fans think the game was over already. This was not to be as Uniondale also scored in the first quarter to tie the game at 7 all. Jake Garvin and Ron Veney both

took passes from Marc Lyons in the second quarter that resulted in scores, giving Lawrence a 21-7 halftime lead. The third and fourth quarters saw an aroused Uniondale defense hold the Tornadoes offense while Uniondale's offense scored two touchdowns, but missed one extra point. With five minutes to go in the game Lawrence had a 21-20 lead and was waiting for the kickoff. Uniondale, though, tried an onside kick that was successful and had the ball on the Tornado 31. Rising to the occasion the Lawrence defense stopped Uniondale at the 16, but on fourth down Uniondale tried for a field goal. The hushed crowd with fingers crossed watched the snap from center and then the kick which went off to the right. The kick had failed! Lawrence won the game 21-20 and most important the division championship.

Lawrence's hope for the future

Time and again Lawrence's running paved the way for long gains

Kick him ... Stomp him ... Step ...

Coach Martilotta looks on peacefully

John DeLeo looks for an open receiver

The final game of the year saw us at home against a favored Brooklyn Tech team on Thanksgiving Day. Tech scored first but Lawrence tied the game up on a second quarter TD by Chris. In the second half the Tornadoes scored two more times, one a pass from Lyons to Garvin and Kyprianides running the other one over, as Lawrence won 18-13.

The year was a successful one for the Golden Tornadoes as they compiled a 7-1 record and captured the division championship. Five players, Lyle Alzado, Ira Gordon, Craige Martin, Chris Kyprianides, and Jake Garvin were named to the All-Division Team while Alzado and Martin made All-League. Alzado was further selected on the All-County Team.

The Tornado power play

THE JV TEAM: *First row:* Herman; Alloca; Gerita; Accumando; Rubenstein; Matusrito; Tudda; Rein; Lynch; MacMillan. *Second row:* Mr. Hillin; Mr. Clampi; Freedman; Pollitano; Williams; Kearney; Spikes; Muccario; Rogers; Rogers; Mr. Giordano.

CHAMPIONS

The Lawrence High School varsity tennis team under the direction of Mr. Gregory Monahan completed its most successful season in years. It compiled a 12-0 record in league contests as well as advancing to the semi-finals in the South Shore Championships before elimination.

Hopes were high even before the actual competition began. Six of the seven starters from last year's team had returned and Lawrence was placed in Division II, eliminating the necessity of playing South Shore Champion Hewlett and Elmont, another tough foe.

Captain Bobby Baron and Larry Hirsch, first and second singles men respectively, led the team. Mark Weinstein, played third singles,

THE VARSITY TENNIS TEAM. *First row:* Goodman; Weinstein; Dubensky; Kass; Kling. *Second row:* Hirsch; Silverman; Baron; Bressman; Fischman; Gordon; Mr. Monahan.

with Bobby Fischman and Jimmy Gordon at first doubles and Peter Dubensky and Larry Silverman at second doubles. Both the first and second doubles teams were particularly effective, each demonstrating perfect undefeated records in league competition.

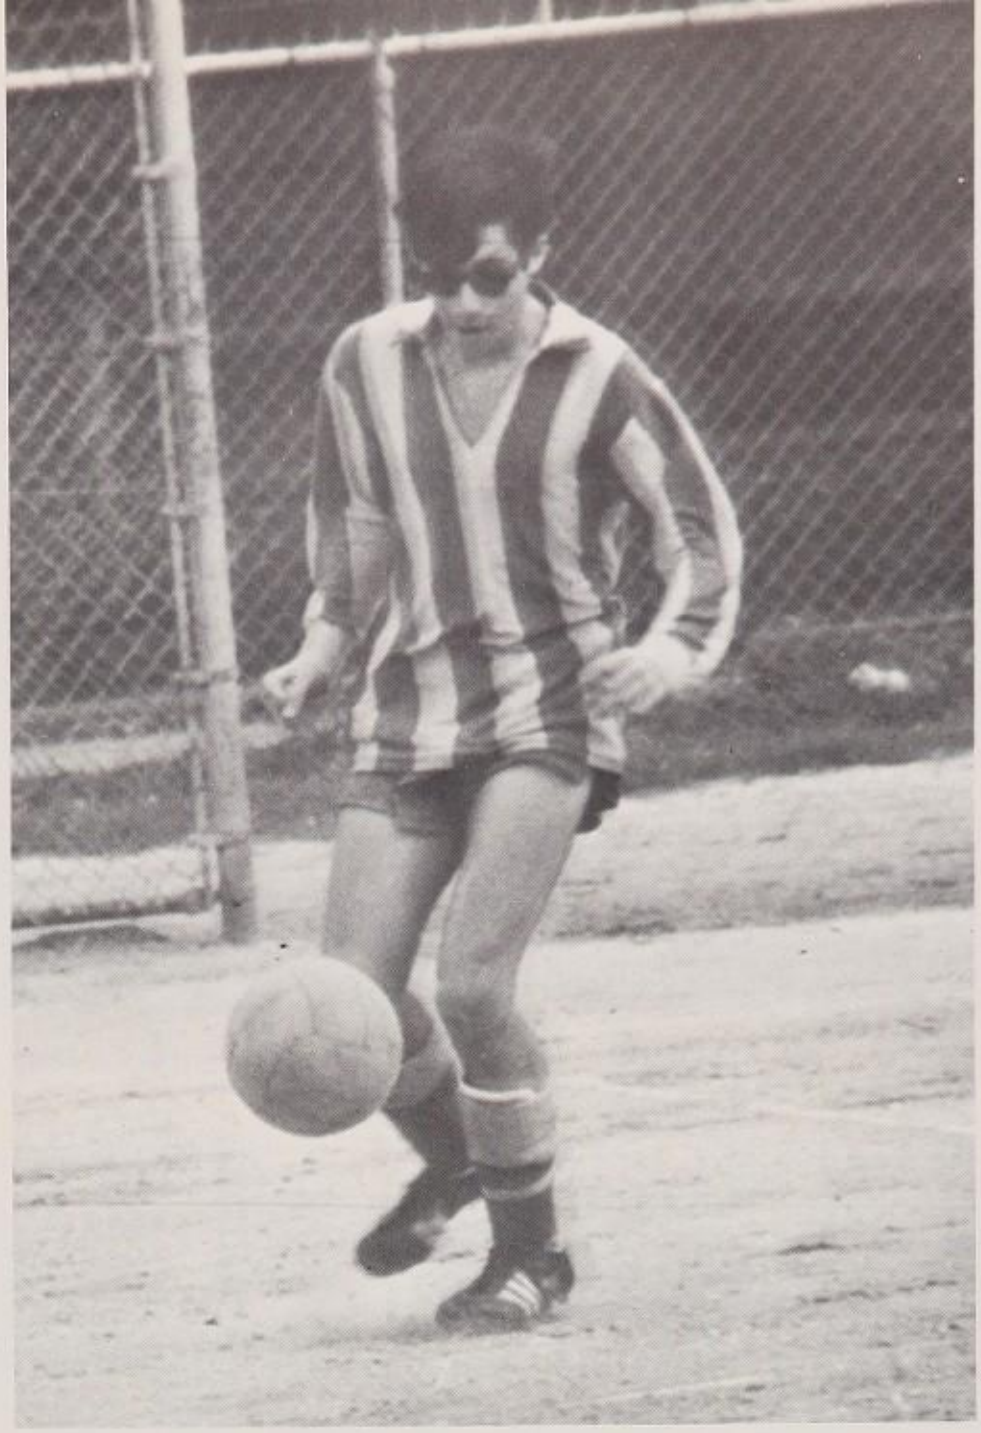
Lawrence defeated Uniondale 4-1 in the final Division II match and thus clinched first place in their division. In the South Shore Championships the team easily defeated Carey High School 3½-1½. Our next opponent, Oceanside High School, the eventual winner of the tournament defeated Lawrence 4½-½. Thus ended an extremely successful season for our very fine tennis team.

Fischman and Gordon—as determined as ever.

Larry Hirsch gets ready to slam the ball.

SOCCER

This year saw the emergence of a varsity soccer team at Lawrence High School. Coach John Marosy formed a squad around center Dany Vasen, our exchange student from Chile. The team was not in any league this season and games were only scheduled when another school agreed to play us. The results from our first year of competition were most gratifying as the team compiled a 3-1-1 record, defeating Woodmere Academy, Hewlett, and Valley Stream.



A Lawrence player in a practice session

On the Move

THE VARSITY SOCCER TEAM. *First row:* Popper; Weiss; Sameroff; Simon; Monachum; Kent; Gurilda; Ponsiatti. *Second row:* George; Hasen; Green; Oshinsky; Einsiedler; Gazes; Vasen; Oshrain; Feltingoff, Mr. Marosy.

The team as they practice for a big meet.

CROSS COUNTRY

Stretch Tepper limbers up.

First row: Galenti; Kanner; Weinerman; Schlein. *Second row:* Glass; Tepper; Mr. Meredith; Lewis.

The Tornado cross-country team did not fare as well this year as previous teams in past seasons. The turnout for the squad was small and injuries cost the services of Tom Carraccilo and Wayne Korman. Still, though, several members of the team were quite prominent in the meets. Jan Tepper, a junior, was the most consistent runner on the team and Charles Lewis helped Lawrence defeat Valley Stream Central High School.

WINTER SPORTS

Even in practice the team goes all out. (Jeff Perlow)

The Tornadoes win another.

THE VARSITY BASKETBALL TEAM: *First row:* Baron; Morton; Gordon; Kearney; Zuckerman. *Second*

BASKETBALL DIVISION CHAMPIONS

The season opened with four non-league games with the Tornadoes winning two and losing two. Lawrence beat Levittown and Great Neck South but then lost to St. Agnes and Oceanside.

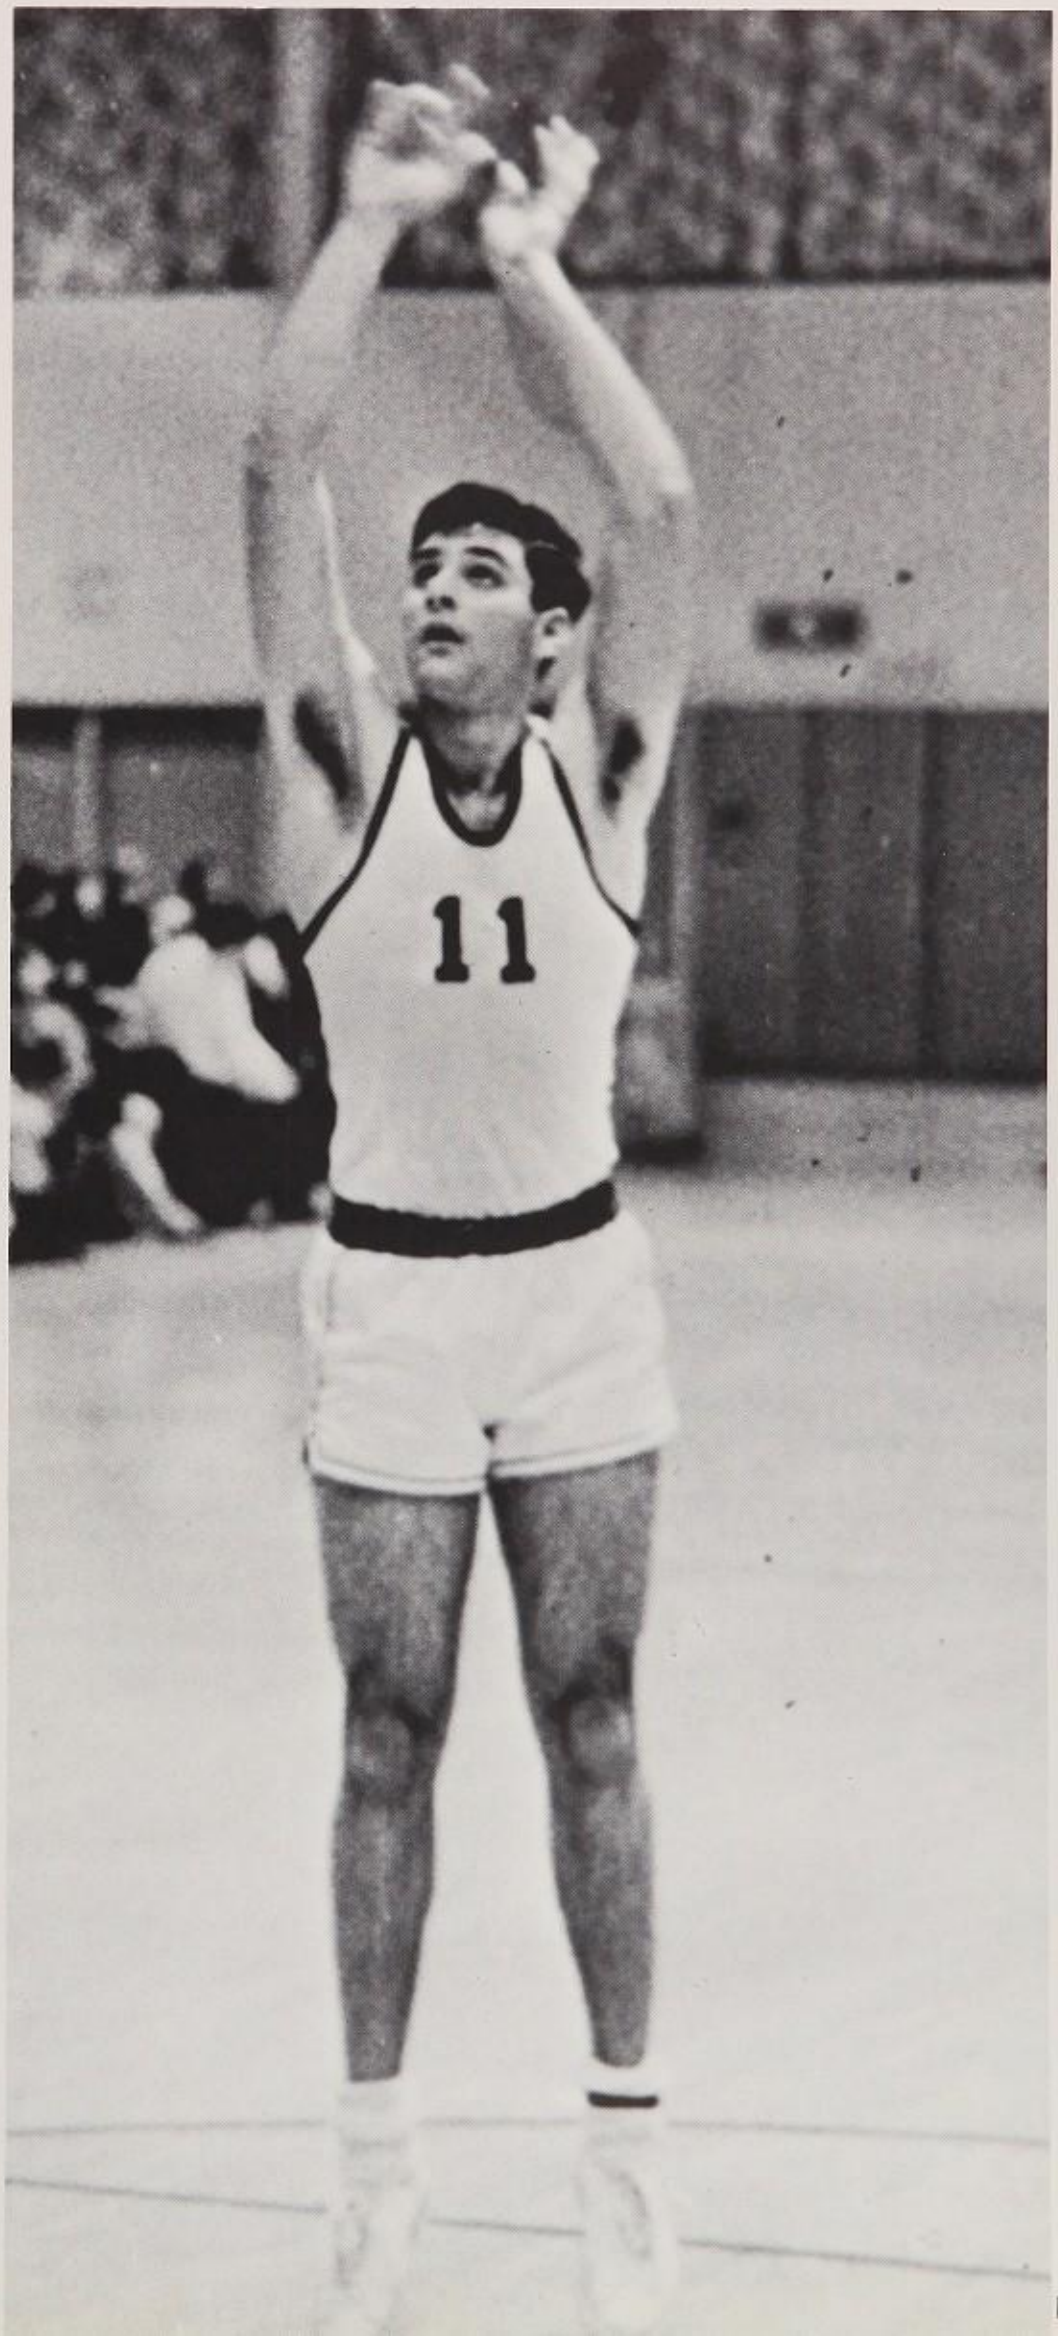
League play began with the game against Freeport on January 6th. Neither team could take a commanding lead throughout the game and as a result the outcome wasn't decided until the final seconds when Freeport's Bill Jackson converted two foul shots to give Freeport a 49-48 victory.

Arch-rival Hewlett was Lawrence's next opponent. The game was again close and tense but due largely to Jeff Perlow's 17 points and the rebounding of Mel Davis, David Jacobson, and Perlow, the Tornadoes won 45-44.

Lawrence trounced Berner, in their next game, 67-35 and moved into a tie for first place in the division. Significant in this game was that each member of the squad scored.

The next two contests were against Long Beach and Kennedy with the Tornadoes winning quite easily in both. Lawrence beat Long Beach 59-49 with Ira Zuckerman scoring his season high of 23 points

The basket that beat Great Neck South (Dave Jacobson)



row: Perlow, S.; Perlow, J.; Deutsch; Mr. Seger; Packer; Davis; Jacobson.

Hewlett Game Goes Into Overtime

while converting 15 of 16 free throws. In the Kennedy game the Tornadoes took an early lead thus enabling the second team to play most of the second half. In this game, as in the Berner contest, everyone scored.

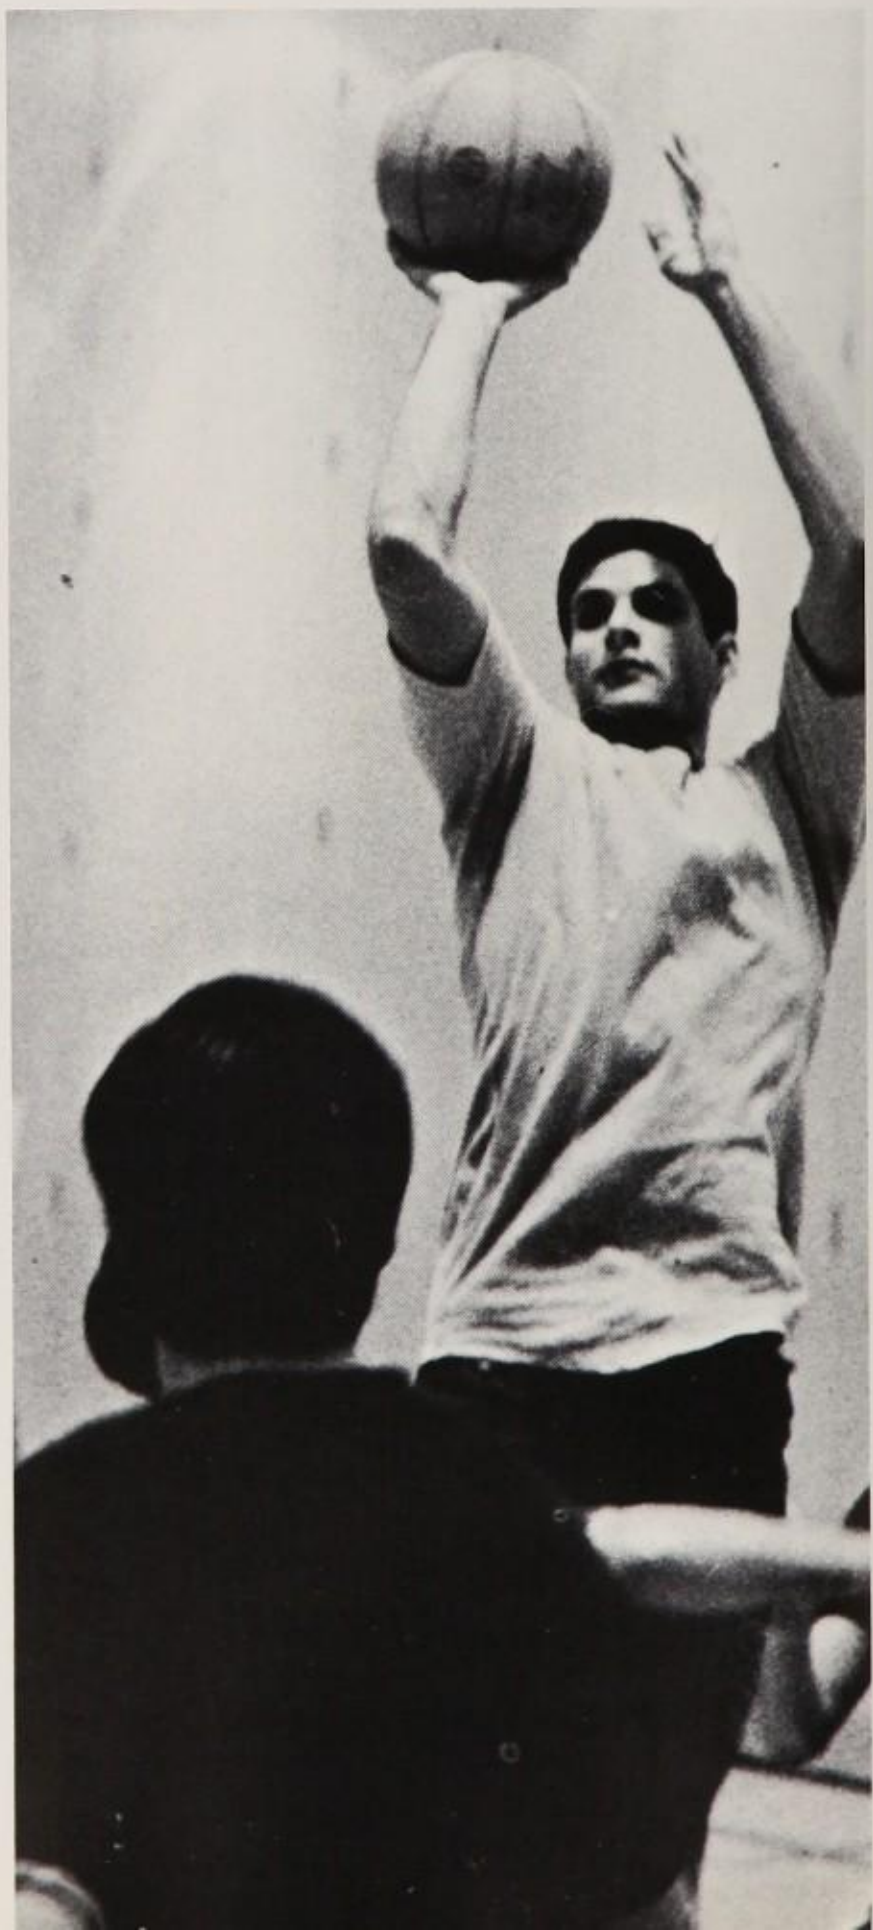
With a league record of 4-1 Lawrence was ready to meet Uniondale with first place at stake. The outcome of the game, though, was never in question as Uniondale's height and fine outside shooting proved too much for the Tornado cagers. In the third quarter Uniondale led by as many as 13 points before Lawrence started to come back. They closed the margin to 5 points but that's as close as they could get with the final score being in Uniondale's favor 54-49.

Highly-touted Elmont came to Lawrence for the next game and left a 62-58 loser. The game was close all the way with both teams having the lead several times. Zuckerman and Jacobson both contributed mightily, each scoring 21 points.

Avenging an earlier loss, Lawrence trounced Freeport 73-36. Utilizing a full-court press and accurate shooting Lawrence led all the way.

With, perhaps, the most exciting finish of any game this year, Hewlett came from behind to defeat Lawrence 32-30 in overtime. Neither team could build up a big lead and with 31 seconds to go Lawrence led by three. But Hewlett didn't give up and with only one second to go in regulation time Chizever of Hewlett heaved a desperation shot that went in to tie the game at 30 all. In the three minute overtime period neither team scored until Chizever drove for a layup with only eight seconds remaining that clinched the game for Hewlett.

Strenuous workouts were awarded with a first place finish. (Doug Packer)



I hit on 49% of my shots (Dave Jacobson)

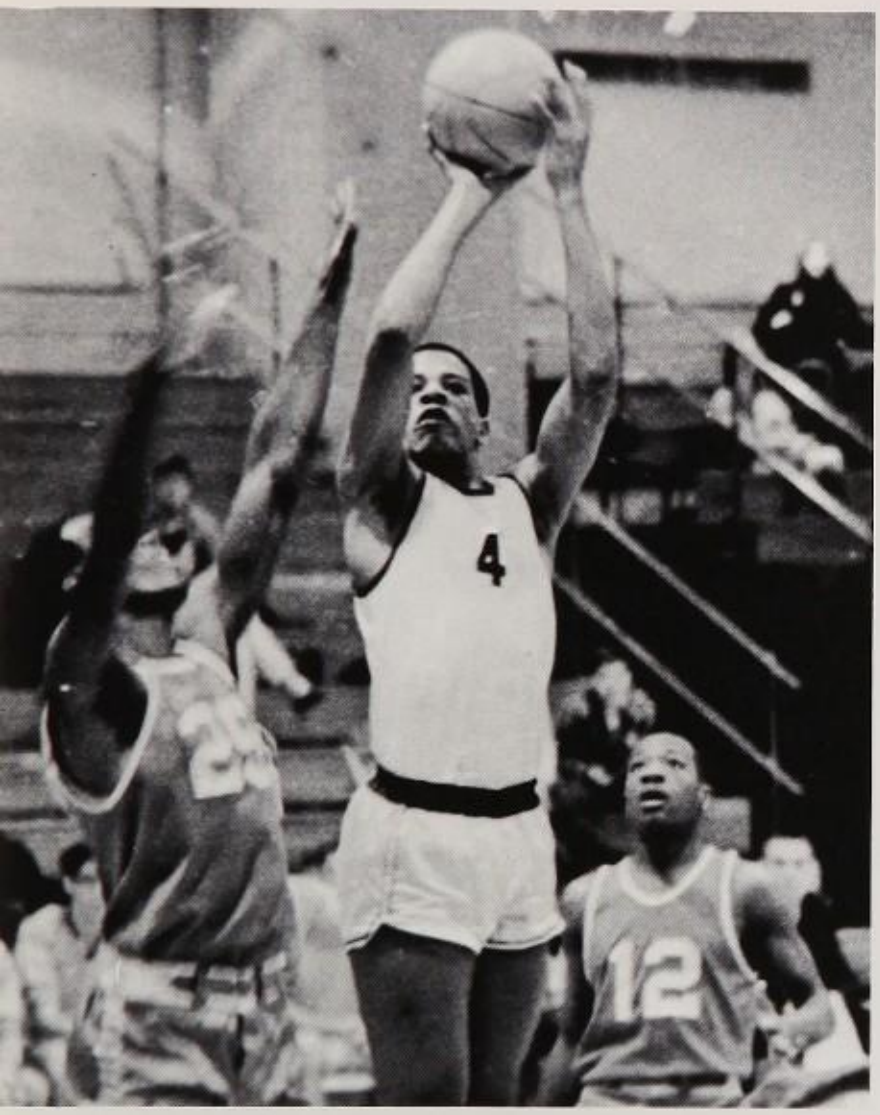
Tornadoes Soar Into 1st Place

In a surprisingly close game the Tornadoes just did manage to beat Berner 53-50. Berner was tougher than in their first game but important points by Doug Packer and Dave Baron won the game for Lawrence.

With only seconds remaining Mel Davis tapped in an offensive rebound to give Lawrence a 48-47 victory over Long Beach. Jeff Perlow was high scorer with 19 points.

Norm Kearney led all scorers with 11 points as Lawrence beat Kennedy 57-31. Kennedy was never in the game as the Tornadoes led all the way.

The Uniondale game was next with first place to go to the winner. The Tornadoes displayed a new offense, a semi-freeze, which cut down on the number of errors the team made. Dave Jacobson scored 16 points as Lawrence won 43-33.



A tense Mel Davis shoots for two.

Norm Kearny "pops" from the outside.

A gutty player with a will to win (Ira Zuckermen)

Coach Seger gives some pointers to his team.

Pete Morton—6th man

Above the crowd (Jeff Perlow)

The Tornadoes were now in undisputed possession of first place, but in the last game of the season Elmont defeated Lawrence 70-58 to create a three-way tie for the top spot between Lawrence, Elmont, and Uniondale. Perlow scored 16 points in the Elmont game, but it wasn't enough as Elmont's press proved too much for the Tornadoes.

Coach Seger won an involved coin toss between the three first place teams. This meant that Lawrence would get a bye in the first round of the County Championships and would play the winner of the Uniondale-Massapequa game.

Uniondale won that game quite easily and thus became the Tornadoes next opponent. Mike Copeland, Uniondale's big center, had 25 of his team's points and continually scored when Uniondale needed it. Still Lawrence remained close chiefly on the shooting of Perlow and Jacobson's strength off of the boards, and with little more than a minute to go was only down by three. Norm Kearney hit on a jumper from 15 feet out and with 40 seconds left the Tornadoes were down by just one point. But that's as close as they could get as Uniondale froze the ball and won 40-39.

Although the season ended dismally, the team throughout the year played anything but that way. There was no one real standout on the team, but rather it was just the team's determination and will to win that made Lawrence basketball so great this year.

TRACK

This year's winter track season was filled with many fine efforts by the individual trackmen. Jerry Valentine set a South Shore indoor record by doing the 50 yard dash in 5.5 seconds. John Wilson in the shot put set a Nassau County indoor record by throwing the shot 59 feet 5 inches while Craige Martin ran the 55 yard high hurdles in a fast 7 seconds. At the Section 8 meet the mile relay team of Lyle Alzado, John Einsiedler, Bill Taylor, and Arnie Papowitz placed first in the competition.

Hurdler Craige Martin at his best.

Front row: B. Martin, Valentine, Papowitz, C. Martin, L. Alzado, Taylor, Hoeber, Lewis, M. Martin, Venny. *Second row:* Carracolo, Tepper, Schlein, Maewether, E. Gabel, Spikes, Syrop, Burns, Mr. Cimino. *Third row:* Cohen, Myerson, Lipman, Nussdorf, Santoro, Boland, Doggett, Laakso, Hassan, Mr. Linton.

On your mark ...

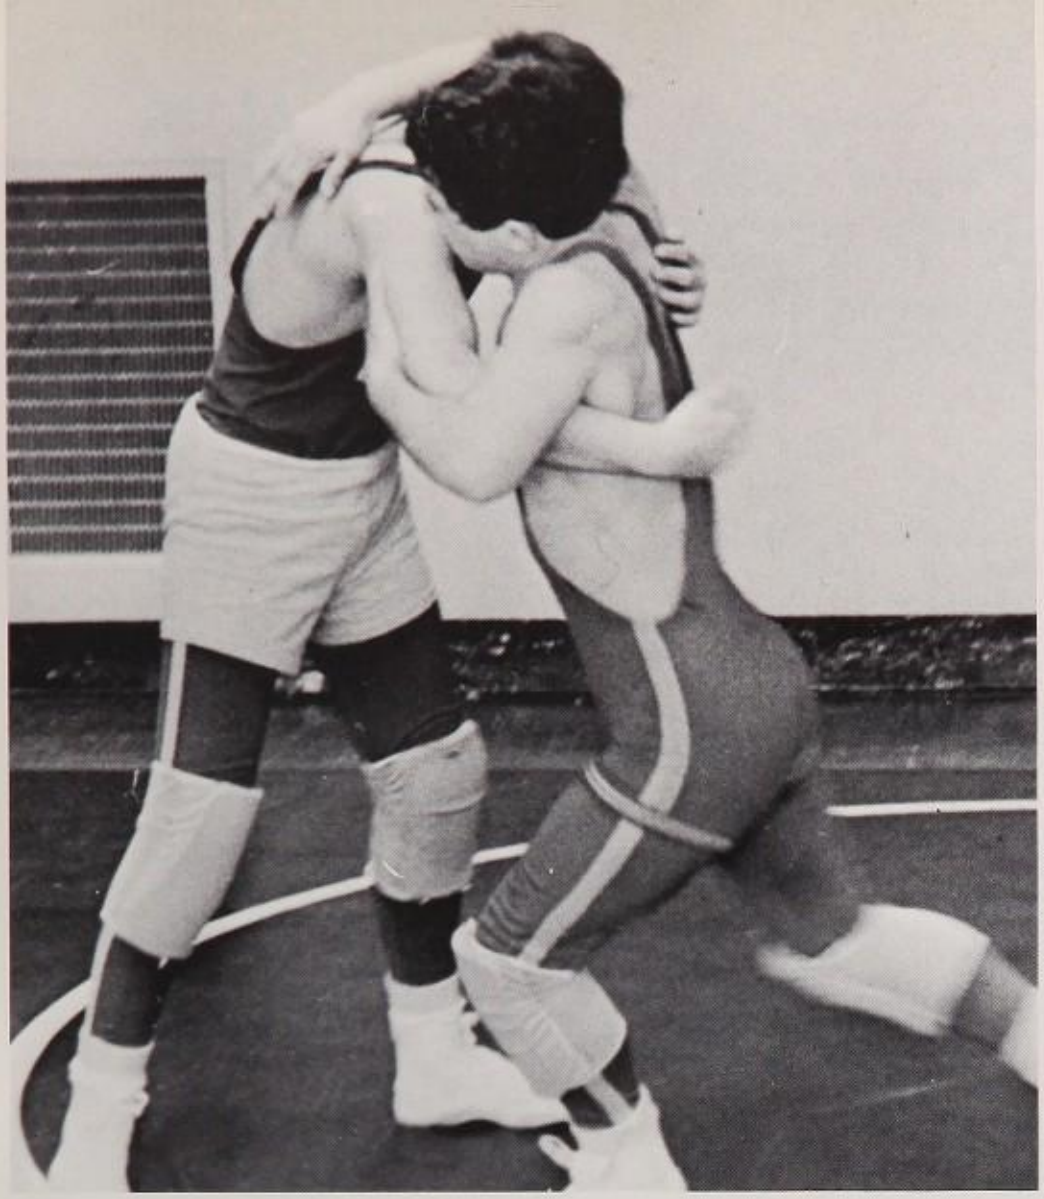
Get set ... (Lyle Alzado)

Go!

Where did my legs go.

Ooo! I think I ripped my pants

WRESTLING



"Just remember, it's fixed."

Again, as in past years, the wrestling team did not fare as well in competition as other Lawrence athletic teams. Lack of experience on the squad and a general disinterest of the sport in the school were the prime factors for the losing season. Several individuals, though, did manage to have successful seasons. Vinny Pecora, Frank Vukov, and Craig Weinerman all won individual championships in their weight class at the New Hyde Park Christmas Tournament.

Mr. Meredith with his boys.

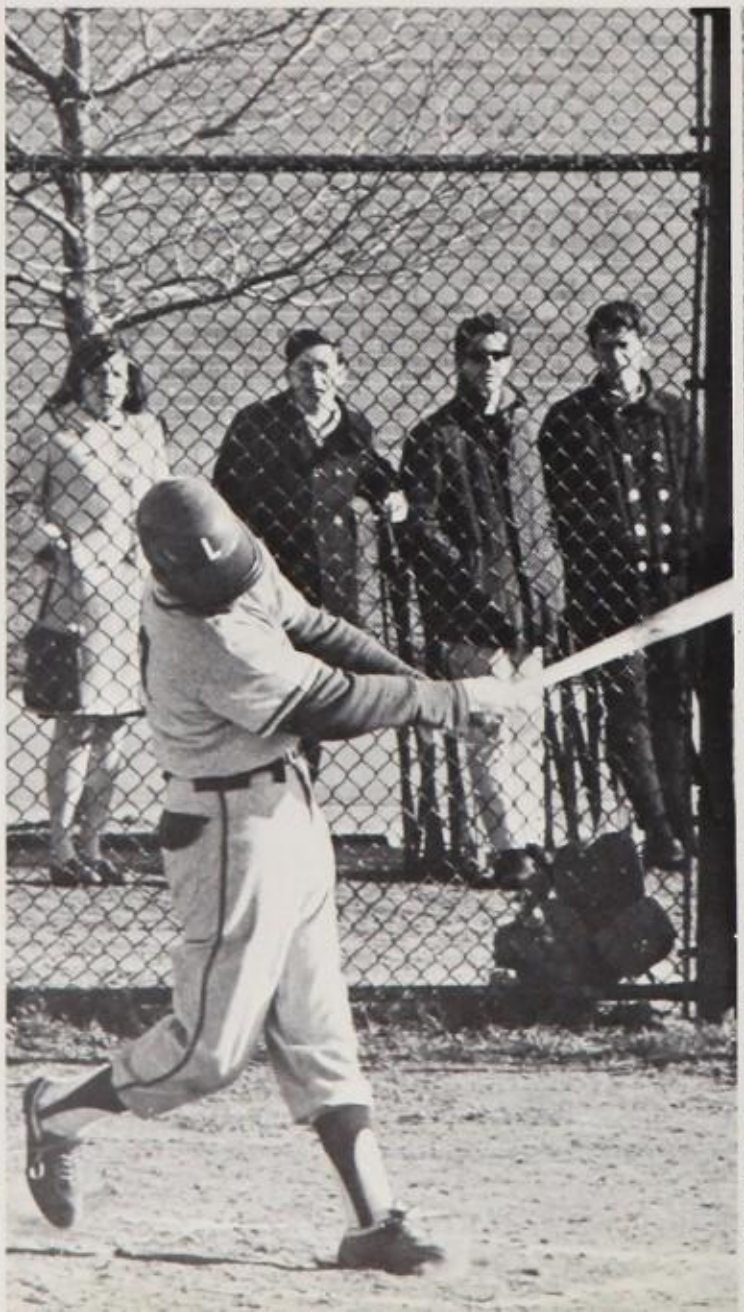
First row: Saro, Sarica, Pecora, Winerman, Simon, Rubinstein, Pecora, Rubin. *Second row:* Caberella, Barnett, J., Barnette, E., Occumanlo, Lungumbardio, Mr. Meredith, S. Accamando, Vukov, Van Dyne, Goodman, Tannenbaum.

THE VARSITY BASEBALL TEAM. *First Row:* DeRosa, Ciampi, Vukov, Feltingoff, Fischman, Gordon, Wolfe, Murphy. *Second Row:* Veney, DeLeo, Player, Tudda, Santora, Lyons, Ruggieri, Mayer, Schultz, Nappi, Coach Wild.

BASEBALL

With excellent pitching ...

and powerful hitting ...



and a good defense the Tornadoes will be successful.

BOYS INTRAMURAL SPORTS

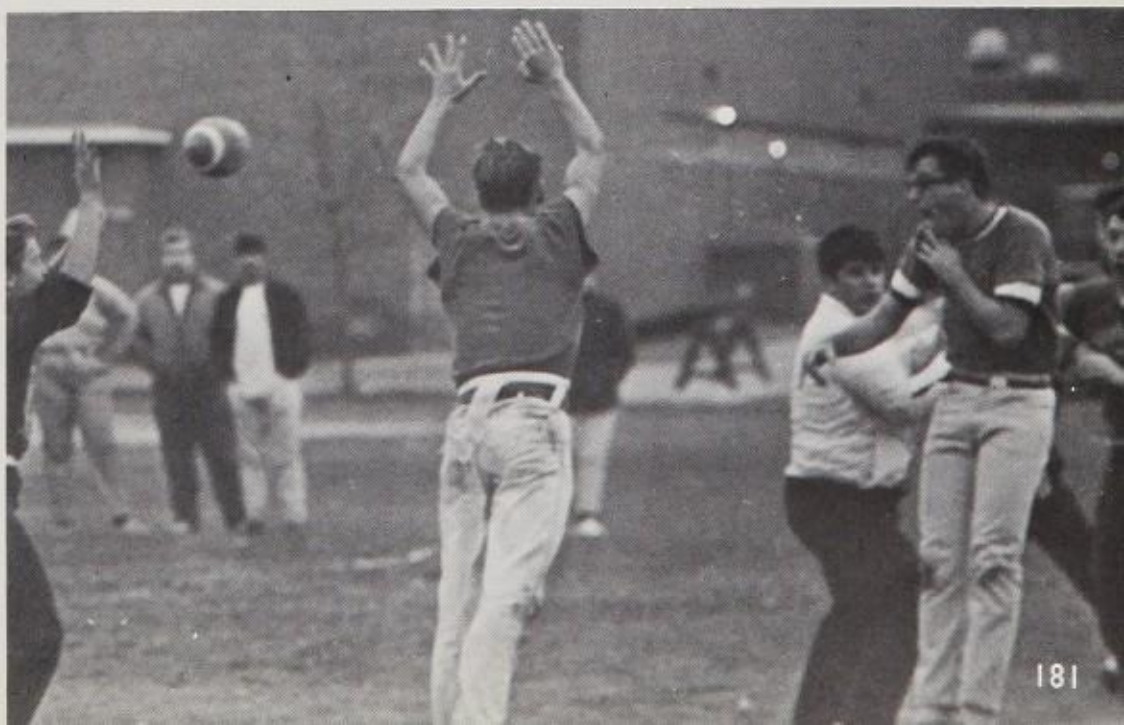
"Inwood Boys" line up against "Trojan Women"

Mr. Uhlar plans next week's schedule

FOOTBALL

The intramural flag football Championship was won this year by the "Inwood Boys", captained by Andy Arata after a hard fought season. Scott Antonelli's "Trojan Women" provided the toughest competition and was in first place for most of the year, but lost in the playoffs to the "Inwood Boys." In the Freshman-Sophomore League, the "Warlords" defeated the "A-Team" to take the championship.

Scott Antonelli passes(?) off.



Shelly Goldmark chucks from the outside.

INTRAMURAL BASKETBALL

A classic battle—Zuckerman vs. Brody

Another game gets under way. (Geffen, Ciampi)

No, Ed, you're not supposed to kick it.

The intramural basketball season was successfully concluded when Deitz Darter's Magnificent 7 beat Gary Johnson's Hot Shots 40-35 in the championship game playoff. The chief competition for these two teams came from Bob Tolle's Celtics, a junior team, and Robert Fischman's Clippers, but both of these teams were quickly eliminated in the earlier rounds of the playoffs.

In the second league Stuart Meyer's Strikers surprised all and won the playoff tournament by defeating Neal Feltingoff's Road Runners. Close competition for these teams was supplied by Lenny Volin's Bombers and Marc Kaplan's Gunners.

LEADERS' CLUB

Pay attention! (R. Gersherow)

Why aren't you listening

The Leaders' Club is considered the backbone of the girls' gym department. It is an association of girls who are willing to give up their free time to aid the gym teacher and to teach other girls athletics.

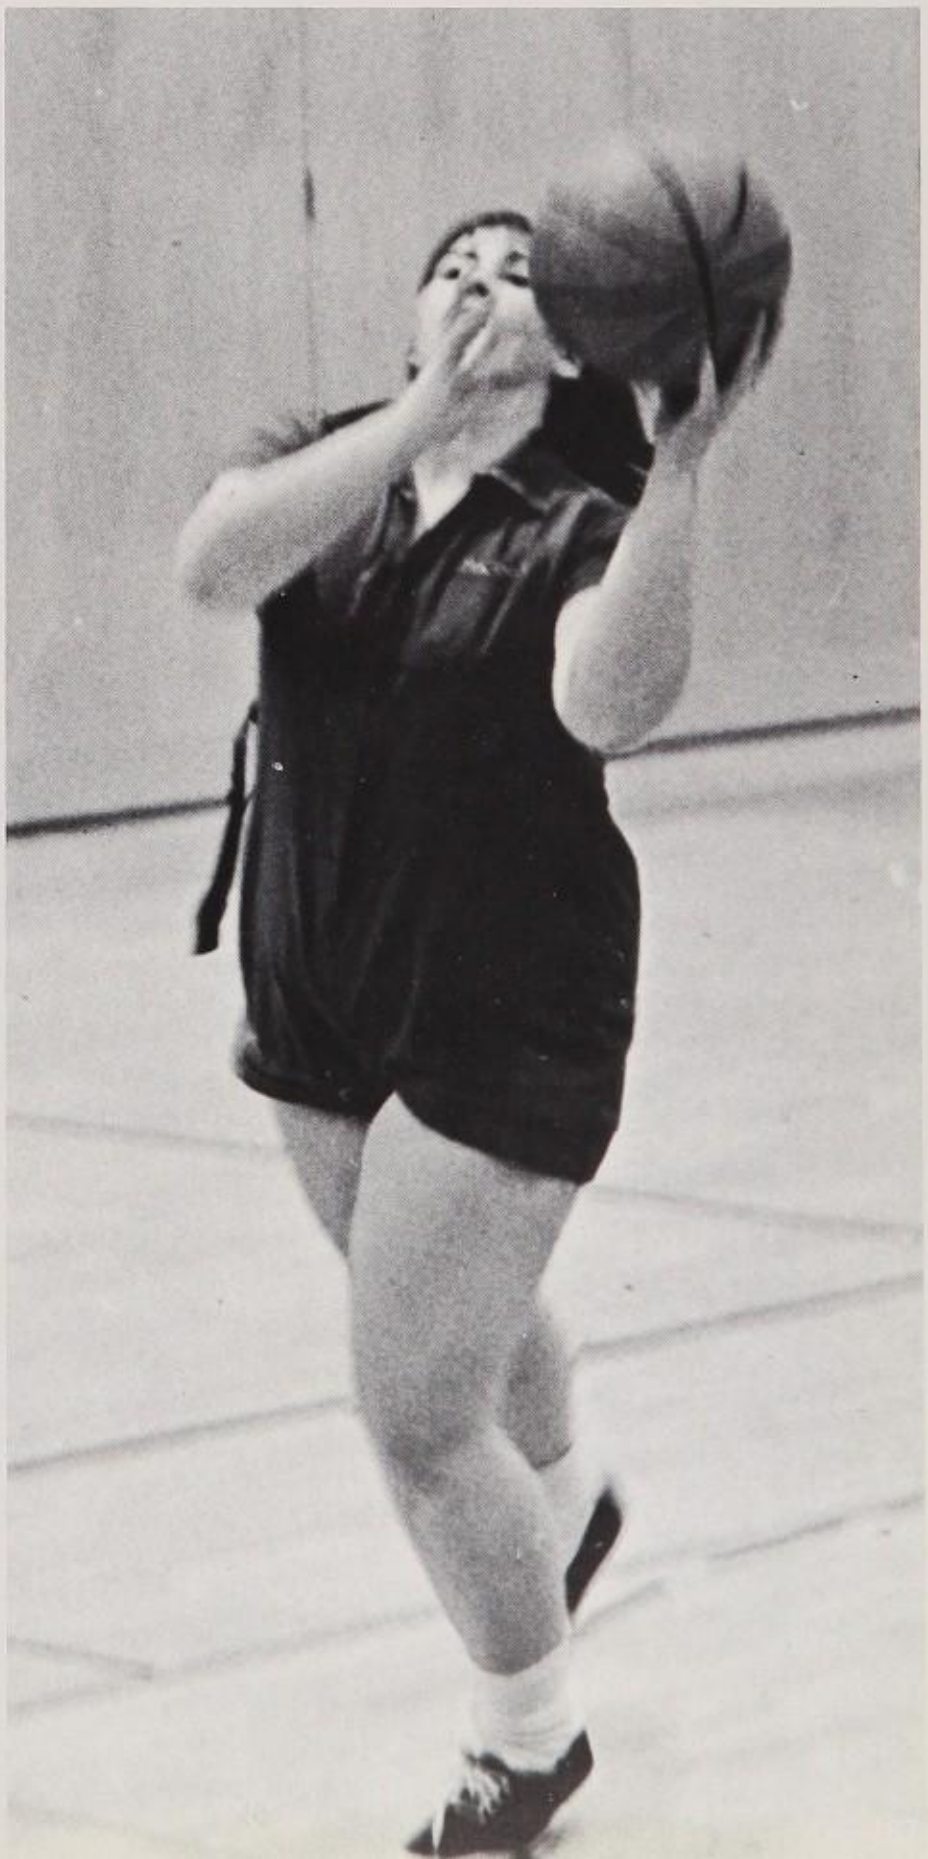
At meetings the girls participate in various sports, learn the rules of games and plan ways to raise money. A Valentine's Day fashion show was the big event held this year sponsored by the club.

Just Maddy

BASKETBALL

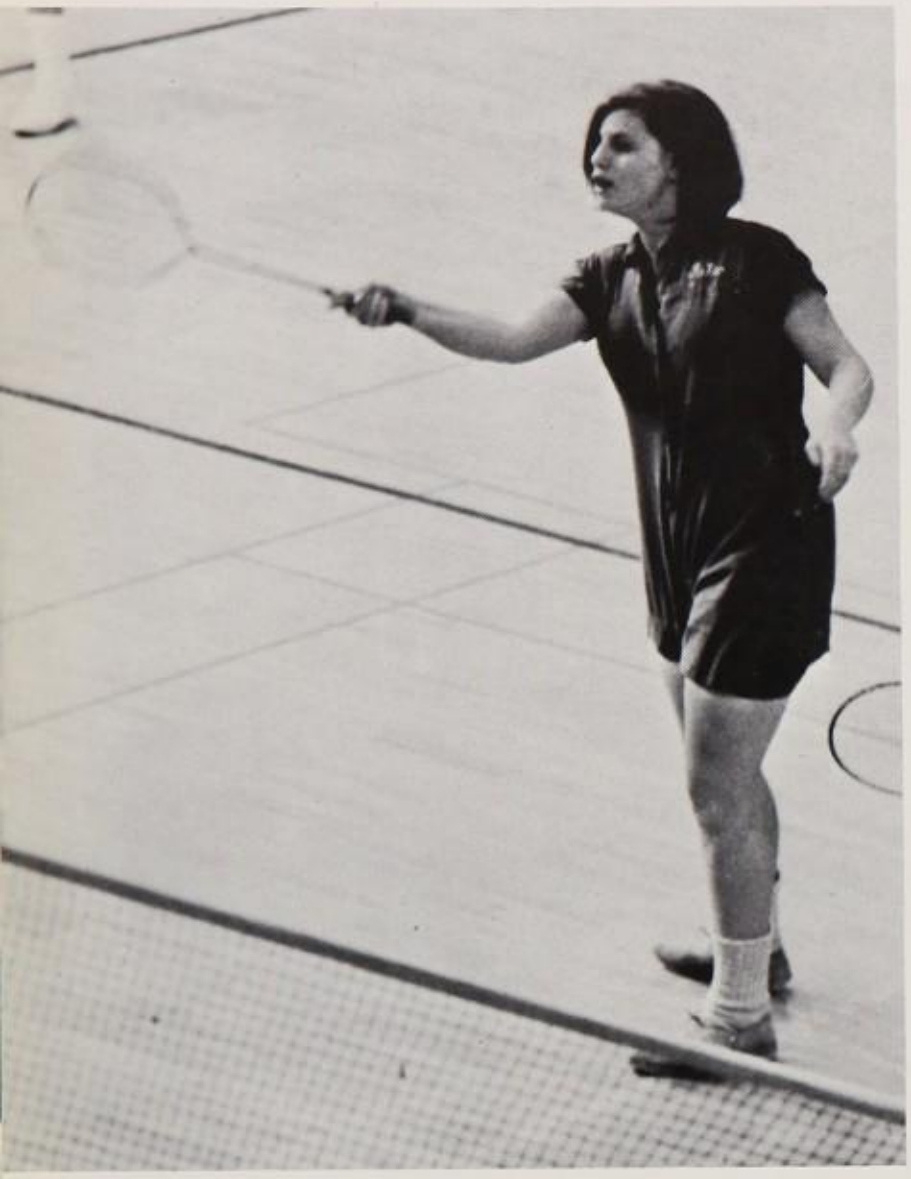
Two afternoons a week during the winter months the girls' basketball team meets and the girls engage in a rugged game of basketball. Under the direction of Mrs. Marilyn Leopold, the girls competed against a number of schools. Led by Maddy Greene the team was victorious in several games.

Hey, hey, take it away ... (Cohen, Schlosberg)



Uhhhhhhmmph!! (Howe)

BADMINTON



Rita Greene demonstrates how to hit the birdie.

"Birdie birdie in the sky". These were familiar sights as the badminton season got under way. Coached by Miss Alyce Adolph the team was successful in most of its matches against other schools. Among the leading players were Kathy Karpeles, Karen Kiefer, Vicki Cohen and Marilyn Goldblum. The Honor Team participated in Sportsday held at Malverne High School, but did not do as well as they had planned.

En garde! (Kathy Karpeles)

Smile pretty! (P. Sklar)

Look up at the birdie! (Felice Berk)

VOLLEYBALL

You're under arrest! (N. Schlosberg)

Bending over backwards.
(R. Kruta)

Floating on air.
(F. Berk)

Volleyball continued its popularity this year by attracting over one hundred girls. Two afternoons a week a visitor to the girls gym would be able to see small white balls being smashed, lobbed or spiked over the net.

Coached by Mrs. Marilyn Leopold, the Honor Team waged a successful campaign capturing the Section II championships. The girls went on to place second among schools on Long Island.

Among the outstanding players were Helaine Goldberg, Maddy Greene, Kathy Karpeles, Roberta Kruta, Lynn Rollo and Nan Schlosberg.

The gracefulness of volleyball. (Vicki Cohen)

MODERN DANCE

Modern dance has increased in popularity among Lawrencians since its introduction into the girls' physical education program. This year under the direction of Miss Alyce Adolph two groups met after school—a beginner and an advanced group. The girls choreographed their own dances. Included in the advanced dance group were Judy Wrublin, Patty Gordon, Terry Ciotti, Ellen Forman, Margie Elliot, Laurie Pillersdorf, Elyse Berman, Robin Benson, Marsha Mayer and Jill Eichman. Among the activities of the group were a lecture & demonstration at two elementary schools and a performance by Haitian dancer.

Yo Ho Heave Ho! (P. Gordon and T. Ciotti)

Bending over backwards. (T. Ciotti)

Help me up! (R. Benson)

Long Island's growth provides the most favorable opportunities for a career in banking.

Franklin National Bank is the twentieth largest bank in the United States. It is larger than the largest banks in 40 states.

And right here on Long Island.

For career opportunities in banking see Andrew Beveridge, Personnel Officer.

PAB WINS SECOND CLASS RATING AT COLUMBIA PRESS CONFERENCE

A consistent, year-long effort to give the students of Lawrence High School the best possible newspaper was culminated in the announcement that MENTAL PABULUM had been honored with a second-class rating from the Columbia Scholastic Press Conference. The recognition of superior technical achievement, along with the favorable responses of the student body towards the paper's nine issues, have made this school year an extremely successful one for MENTAL PABULUM.

We would like to take this opportunity to thank the entire staff, Mr. John Davidson and Mrs. Vera Rosen. It was the staff's co-operative spirit which proved instrumental in its success. We cannot emphasize too highly the fact that it takes a concentrated dedication by everyone connected with the newspaper for it to receive such praises as ours received. We hope that next year's editors will be as fortunate as we have been in their relationship with their staff and advisers in publishing our high school newspaper.

Blaine and Steve

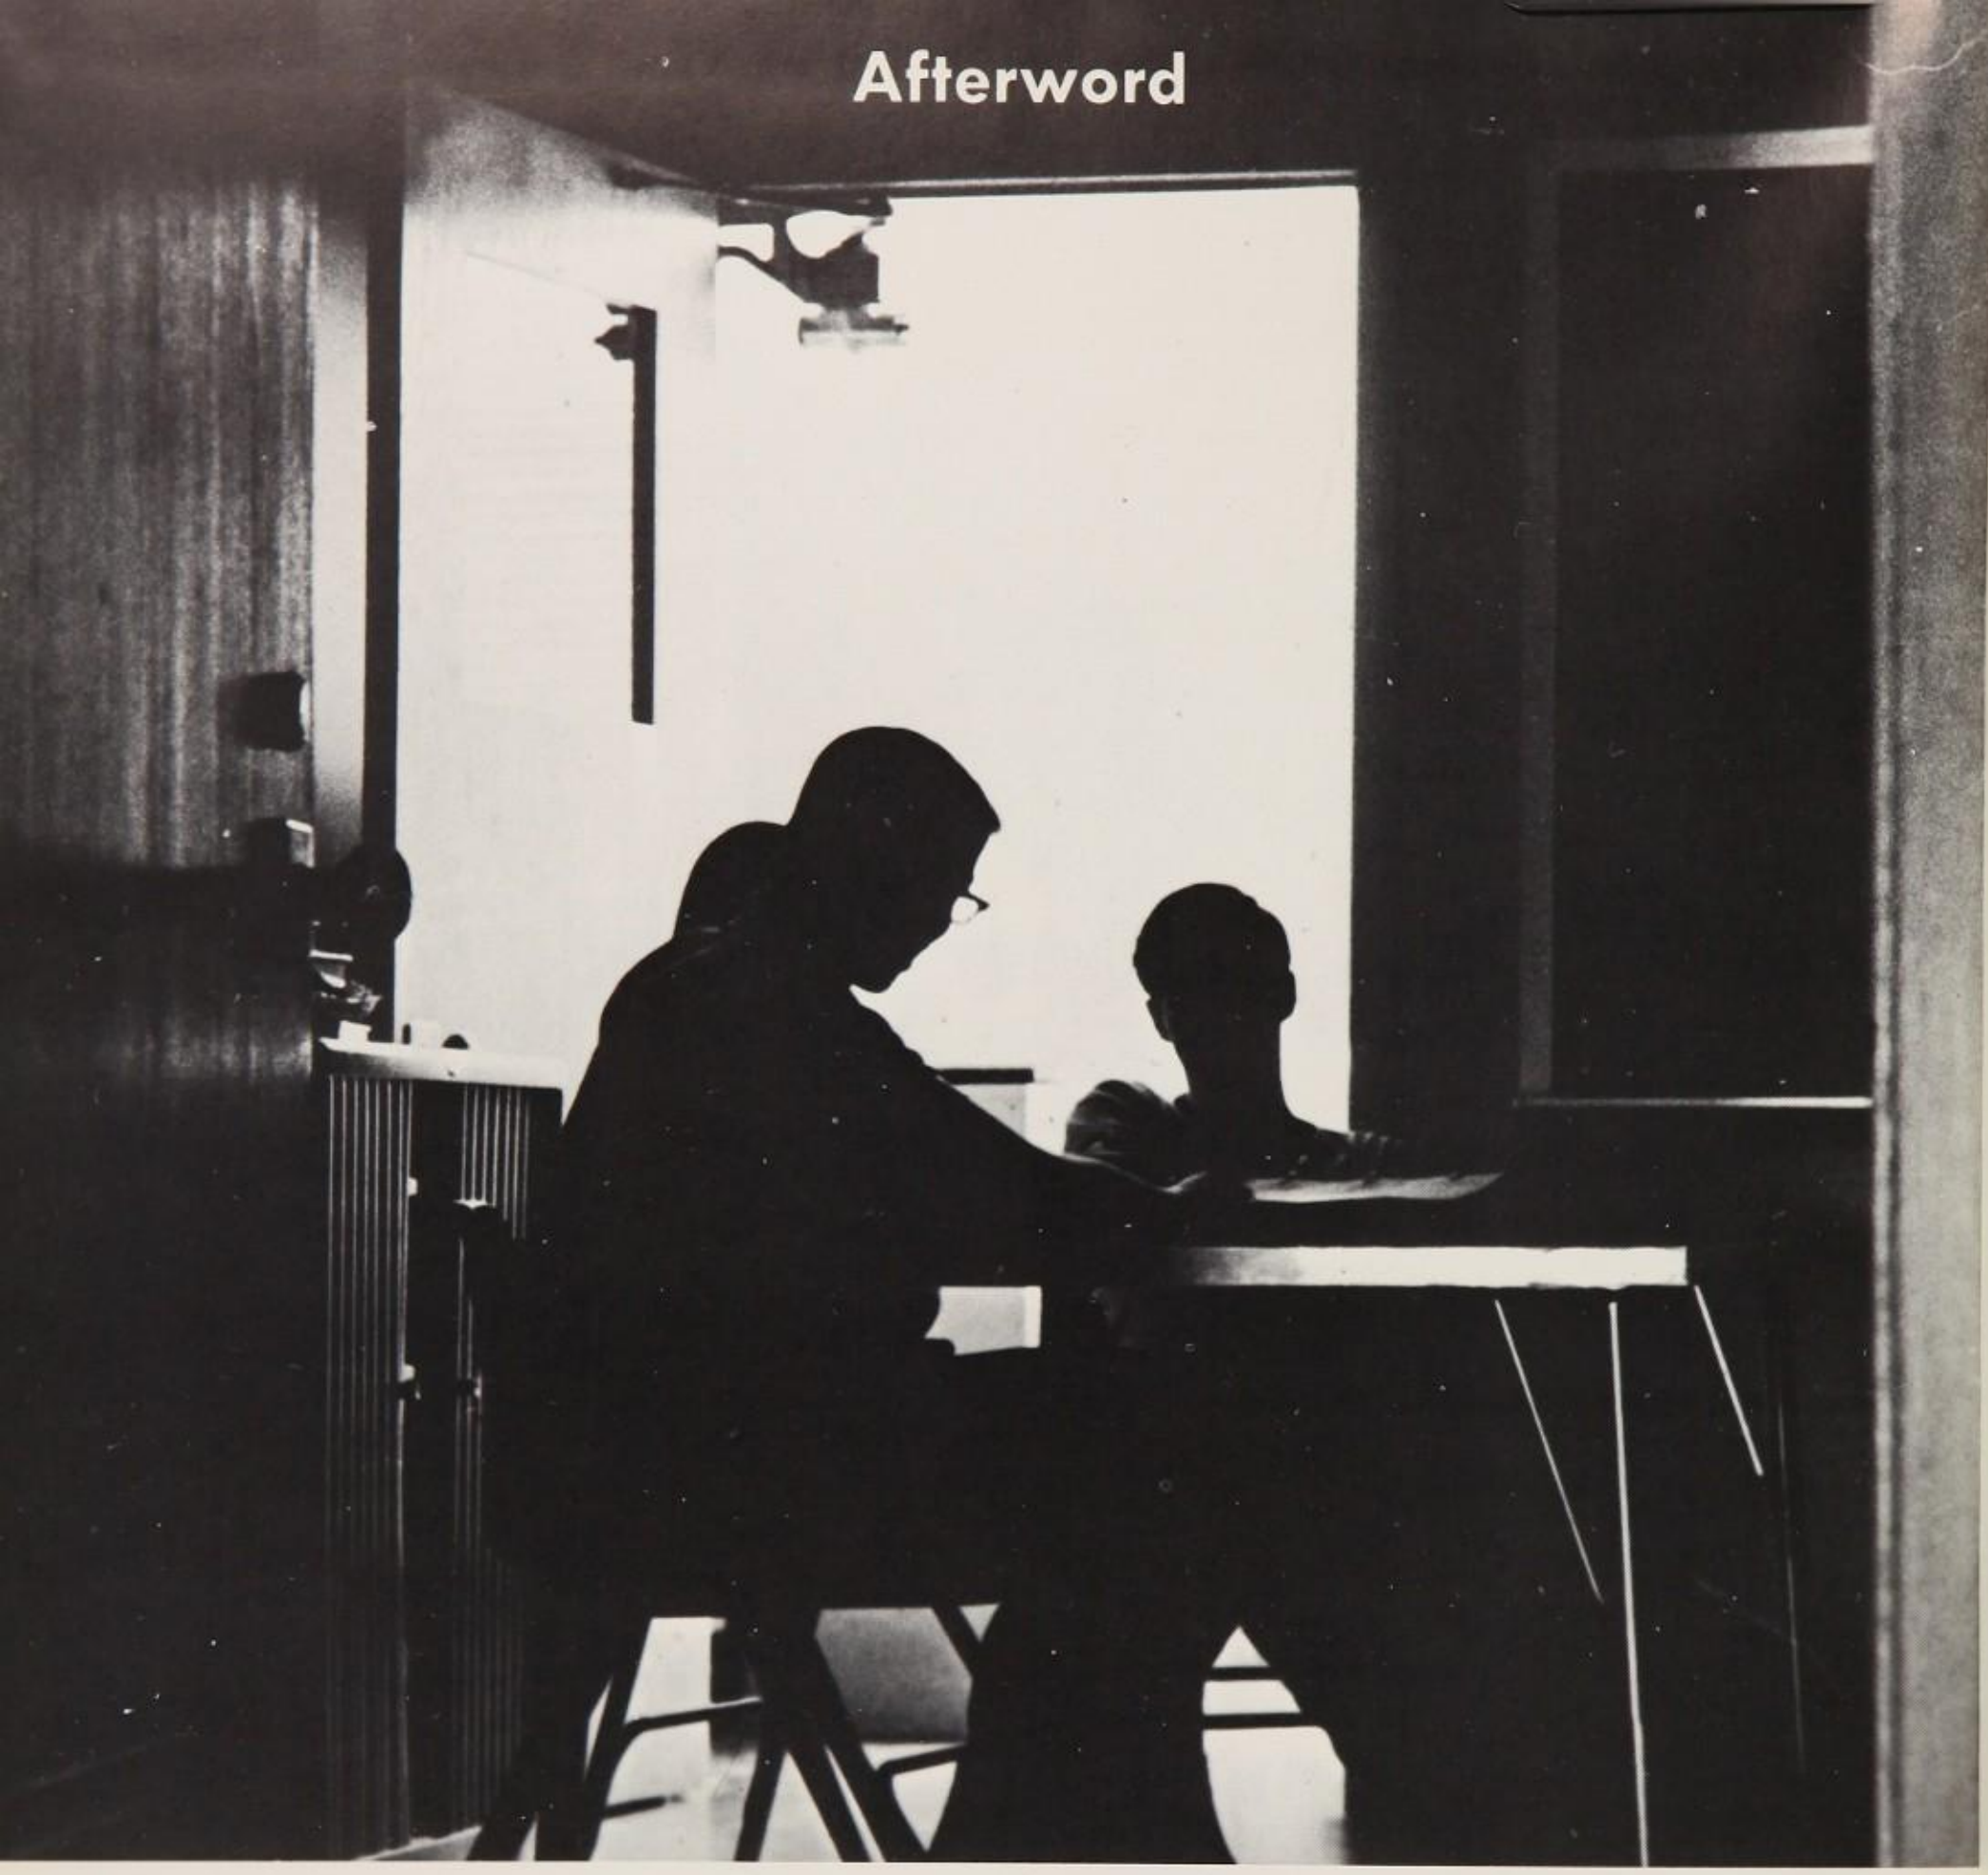
Afterword



Life in Lawrence High is something more than books and desks—it is an experience. The theme of this year's yearbook is a theme of being. We have worked in school, but have grown in our spare moments of time beyond its walls—for we are part of a community which has done much to shape our character. Many years from now, the thoughts that will come to mind will be not only those of class but of walks through town, dates, football and basketball games, of friends we grew up with and will never see again.
